CRESCUS IS KING.

The Stallion Captures the \$20,000 Event at Readville, Over Charley Herr, Who Took the First Two Heats.

BOSTON, Sept. 27. — Cresceus, the king of stallions, added a jewel to his crown to-day by winning in five hard driven heats the \$20,000 race at the meeting of the New England Trotting Horse Breeders' Association on the Readville track. So much a favorite was the son of Robert McGregor before the great trial began that the pools were barred against him. It looked for two heats as if the great stake would be wrested from the king by that wonderful little trotter, Charley Herr, the winner of the Massachusetts stake race last year. But game as was Charley Herr, his strength was not equal to the task and his star set in the third heat, when Cresceus beat him at the wire. Once after that, in the fourth heat, the Lexington horse made a wonderful bid for the race, leading to the three-quarters, and then being beaten out on the stretch by Cresceus, who seemed to have marvelous speed just when it meant so much to win.

The race as a whole was undoubtedly the greatest ever seen in New England. It recalled the stallion event, years ago, at Beacon Park, Cambridge, when Nelson crowned himself by winning a \$10,000 purse. The day was perfect for the race, and the track, while a trifle soft, was evidently prime footing. The crowd must have gone well over the 25,000 mark, the people swarming over the grand stand at \$2 a seat, filling the bleachers at \$1 a head, while the grounds everywhere around the stands were "standing room only" for thousands. The heats of the great event were preceded by one and interspersed by other heats of the 2:14 pace, which was finally won by Ituna, and was in itself a fine horse race.

The Stallions Appear.

The appearance of the stallions on the track called for individual rounds of applause, and Jupe, owned by Thomas W. Lawson, seemed to win the most. The horses announced for the event were Cresceus, owned by George H. Ketcham, of Toledo; Charley Herr, David Cahill, Lexington, Ky.; Jupe T. W. Lawson, of Boston; Arion, Malcolm Forbes, Boston; Grattan Boy, R. H. Plant, Macon, Ga.; Benton M., B. W. Marble, Wilkesville, and Lord Vincent, George F. Todd, Youngstown, O. The eighth horse nominated, Idolita, owned by Hon. Frank Jones, of Portsmouth, N. H., was drawn at the last moment. He was not started this season, not having been fit, and this was the reason for his withdrawal to-day. Interest was added to the race by an early statement from Mr. Lawson regarding Jupe. This told the inside history of the purchase from Mr. Snell. It concluded with Mr. Lawson's opinion that Jupe was not fit to do his best and the owner offered \$1,000 to a certain charity if Jupe came inside the flag in the first heat. Jupe just got inside in the first heat, but was outside in the second.

A Ragged Start.

First heat.—On the resumption of scoring, the word was given to a ragged start, as Grattan Boy and Lord Vincent held back, while Cresceus and Charley Herr had their noses to the front. Grattan Boy, as the favorite for second place, started a trifle unsteady, then settled down, but not quick enough to keep Arion from taking the pole at the eighth, with Charley Herr at his heels. Jupe was last and the others were well bunched. Around the first turn went the horses, and until the quarter it was not possible to pick position. At that distance Arion had an easy lead, Charley Herr right behind him, Grattan Boy, Cresceus and Benton M. making a fast bunch. At the half the horses were about the same, all moving steadily. On the next quarter the going was very fast and at the three-quarters Arion barely led Charley Herr. Eyes were on Cresceus, who seemed to be making Grattan Boy stop out, and for an eighth the speed was so great that both horses almost closed up the gap with the leaders. Down the stretch they came, but Charley Herr had gone by Arion and by a length was under the wire first. The fight was for place, for Cresceus, breaking away from Grattan Boy, tried to put his nose ahead of Arion, but did not succeed. It was a great finish for three horses, Grattan Boy also having recuperated after Cresceus.

Second heat.—The second heat was somewhat similar to the first, for it brought Charley Herr again a winner. With the pole, he immediately stepped to the lead. Arion broke when a hundred yards away and dropped behind to get his feet. Cresceus was after Herr and his wheel as the two passed the quarter, Grattan Boy being third, Arion sixth, and Jupe in the rear. To the half there was no change, except that Herr was almost a length ahead of Cresceus. As the horses came to the three-quarters, Grattan Boy made a great bid for a place with the leaders, but he could not hold his speed. At the three-quarters Herr was royally fighting Cresceus with his length to the good and a grand drive in, around the curve and through the stretch, Herr winning by a length. Cresceus looked stronger than before and the prophets said it would be his race, and so it proved. Jupe, however, saw the red flag this time.

Cresceus to the Front.

Third heat.—The third heat Charley Herr lost and, as it proved, the race by a nose. Herr had the pole, but Cresceus got the best of the start and Benton M. the worst of it, for the latter never made up the distance lost at the start and was outside the flag at the finish. Cresceus held the lead to the eighth, was fighting hard to keep Charley Herr behind him at the quarter, with Grattan Boy also to be reckoned with, and lost the lead at the half to Herr. This gave Cresceus and Grattan Boy a chance to brush a fast eighth, which they did, although Herr also stepped lively and was a length to the good. It looked like Herr for a winner,

but there was speed in the king not seen thus far. Coming down to the wire it was anybody's finish, but Cresceus got there by a nose, it seemed, and the crowd went wild. Herr looked tired, but he was still a good choice on his known qualities of dying hard.

Fourth heat.—The fourth heat opened with Cresceus the favorite once more. At the word, Cresceus, Charley Herr and Arion went by on even terms. Out went the first named, pulling Herr after him and the latter a trifle the better of it at the quarter, while Grattan Boy had displaced Arion as third. Charley Herr continued to lead at the half by a length, Cresceus could not shake Grattan Boy, while Arion was four lengths behind, and, as usual, Lord Vincent was practically forgotten. It was at the three-quarters that Herr's chance of winning looked the best, for with a whole length to the good it did not appear that he could lose. But with an ease that carried the crowd off its feet, Cresceus stepped out and in going through the stretch went to the front by four lengths, while Herr, tired out, was whipped under the wire, a second, just out of Grattan Boy's way. The others were well behind.

Fifth heat.—The fifth and last heat was a simple affair. Cresceus led the way around after a beautiful send-off. The feature was in the last hundred yards, when Grattan Boy beat Herr for place.

The race was ended and Cresceus was crowned again. Throughout the race Lord Vincent was never in it, while Arion was unable to force himself when a little extra speed meant a winner. GOLE.

As there have been some obstacles in arranging for a special train to Washington, Saturday, the members of the Highland and Wheeling teams and their friends will go up on the 7:20 Baltimore & Ohio train, Saturday morning. Trains returning will leave Wash-

ington at 5:20 and 10:20 p. m. A large party has arranged to accompany the teams.

WINTER BOWLING.

Opening Occurs Next Monday Evening on the Fette Alleys—The Season Closes at Mozart Park—Distribution of Prizes To-night.

The opening games in the Wheeling Bowling League's winter tournament will be played next Monday evening at Fette's alleys, on the South Side, and Manager William Fette is making elaborate preparations for the function. There will be a street demonstration, in which all of the ten teams in the league will take part. The K. K. K., Rough Rider and Wheeling teams have engaged open hacks for the parade, and the president, vice president, Secretary Fette and Mayor Sweeney will lead in a carriage. Summers' band of sixteen pieces has been engaged to furnish melody for the occasion. The Big Show, Sunnyside, All Alike, Osceola, Columbia and Terminus teams will appear in decorated wagons, and promise to make a fine appearance. Twenty-four dozen sticks of red fire will be used just to let the population know that something is occurring. The line of march will be given in to-morrow's Intelligencer.

Mozart Park League.

The last games scheduled in the Mozart Park bowling tournament were rolled on Tuesday night, closing one of the most interesting and successful tournaments held in the history of the park association. The major portion of success can be attributed to the hustling qualities of the captains of the clubs who merit unqualified praise for the able manner in which they managed their respective teams. They have shown their loyalty throughout the season by always having a full team in attendance, besides having a goodly bunch of rooters to cheer them on to success. Prizes will be given out this evening and lunch will be served, to which all the bowlers are cordially invited. The teams in the league finished in the following order:

BELLAIRE HAPPENINGS.

Matters of Interest in the Metropolis of Belmont County.

The Republican city committee have built an outdoor platform for the meetings of Congressman Brewster on the 5th of October, and Senator J. B. Foraker, on the 12th. They drew cuts for the bands they will have and decided to hold three meetings here and to have the Knights of Pythias, the American Mechanic's, and Heatherington's bands, one at each meeting. Both meetings announced will be immense, and the people appear anxious for occasion to give vent to their feelings. The Young Men's Republican Club and the McKinley-Gill Club will act as escorts at each meeting, and both will go to Wheeling to hear Vice President Roosevelt, on the 18th of October. There is some indication that the local meetings will be roundly abused by the friends of all the surrounding country. The music begins next week and it will be kept up until November 6, then it will only give way to shouting.

Board of Trade.

The board of trade meeting this evening will be attended by a larger gathering than ever turned out to such an organization before. The promptness with which people to whom the plan was presented signed the membership roll gives the proposed new organization an impetus that is most encouraging. Messrs. Herman, Green, Keller, Kelly and Nicholson have now more than a hundred members and the lists are still open. The committee on by-laws will report to-night, and a permanent organization will be formed.

Bellaire Briefs.

County Chairman W. C. Bergundahl is having his hands full these days getting the ball to rolling for Republican enthusiasm, but he starts with a vim and vigor that augurs well for party success.

MARTIN'S FERRY NEWS.

The Daily Chronicle of Wheeling's Progressive Neighbor.

The attention of Mayor Goodhue was yesterday called to the fact that a large number of boys make a practice of jumping on and off of the street cars at Center street. The boys are constantly warned by the street car men that it is dangerous, but they pay no attention to them. The mayor stated last evening that he proposed to stop it and desired to do so without being compelled to impose a fine on any of the youngsters, and takes this method of informing the parents that this work will be broken up. There is an ordinance against it and it will be enforced, if necessary.

The school board met last evening at the Central school building. Bids were received for furnishing coal for the coming year and the bid was awarded to Louis Rinder at his bid of five cents per bushel. There were seven bidders and the prices for furnishing fuel ranged from five to eight cents per bushel. The matter of insurance on the north and south buildings came up. The policies on the two buildings had expired and they were re-insured in the same companies that held the policies before. A large number of bills were ordered paid. It was one of the busiest sessions the board has had for several months.
